The image shows a grand, multi-level library interior. The architecture features curved balconies on multiple floors, each lined with bookshelves. The balconies are enclosed with dark metal railings. The ground floor is filled with more bookshelves and several long, wooden study tables. The space is illuminated by warm, ambient lighting, including pendant lamps and recessed ceiling lights. Two large, white columns with green bases support the upper levels. A red, rounded rectangular overlay is positioned on the left side of the image, containing the text 'LIBRARY ANKARA TURKEY 2019'.
